Things to think about

1. Why do you think God changed Abrams name?
2. What would you change your name to if you could? Why?
3. Who are your heros? Is having a hero wrong?
4. Is having a hero the same as an idol ?

God made you, he gave you all your passions and your dreams. He wants you to have fun in life and live life to the full. But when those passions and dreams become more important than your love for God or your faith, this is when passions and dreams can become idols. Abrams name was changed to Abraham as a sign of what God was asking him to do. God has a plan for you. Listen to the song and ask God to help you rely on Him and not on your own strength or passions.
