Click on the 'submit answers' box to see how you all did.

In the film this line is said:

'Life is so unnerving for a servant who's not serving.'

How do you serve in your life? Jobs around the house? Helping out at church or other groups?

This weeks session is all about service and how we can serve each other.

Thought

In Beauty and The Beast, Belle gets the VIP treatment from the other Characters. They treat her so well, everybody that is, except for the Beast at first!

Jesus is King of all the world but did you also know that he serves too! He doesn't just sit on his throne eating grapes and chilling out! The Bible tells us that he washes the disciples feet, in order to serve them.

Questions

Can you think of some leaders who aren't good? This can be anybody from our teachers, world leaders, football managers?

Can you think of some leaders who are good? Why are they good?

What are some of the ways you serve in your life?

What are the areas that you could do more in?

Did you know that Jesus served you? By dying on the cross he paid for all your sin and saved you from eternal death. He did something that you will be forever grateful for and something so great that we could never repay him.

Jesus doesn't ask for anything in return he is the ultimate servant as well as king.
